

CHRISTY *Hudson*

Christy Hudson earned her Bachelors of Science degree in Medical Technology from Lincoln Memorial University. She is passionate about faith, family, and friends. She currently devotes her time and passions to personal and spiritual growth.

Christy worked as a medical professional for over 20 years. In 2014, she was promoted to Supervisor in Transfusion Medicine where she served for nearly 8 years. As a medical professional she had a track record of effective leadership. In her leadership role, she supervised a team of 40 direct reports. She counseled and mentored several young women from her team. She was often seen as a confidant for those who shared their personal and professional struggles. Christy was well respected by the members of her team. She often looked for opportunities to encourage and empower her team members.

Her leadership role afforded her the opportunity to acquire knowledge and skill in a multitude of operational functions. She is adept at project coordination, streamlining technical procedures, and conducting cost analysis to optimize efficiencies. She has maintained a highly productive and motivated workforce by prioritizing employee training and development and fostering a collaborative and efficient work environment. Her knowledge and skills was instrumental in ensuring seamless facility operations.

Under the Leadership of Pastor Michael Armour and Assistant Pastor Sharonda Armour, Christy enjoys teaching Sunday school, ushering, and secretarial responsibly at her local church.
